**Chatelaine: Wulfgar Jarnsiða** (Dan Russell)

In Feb the proposed canton of lightwood held a demo tournament and new comers feast to introduce people to the SCA, there were approximately 30 people who attended with around half the number being people who were new.

The proposed Canton of Lightwood in the far south of the barony has been recognised by the crown and has approximately 10 people participating on a regular basis.

Recently the barony participated in the Medieval Mayhem festival. Prior to the festival we received 1 contact via the SCA Tas mobile phone and 1 contact after the festival which resulted in 3 potential new members coming to training to find out more about the group. Prior to the Medieval Mayhem, one of the members of the lightwood was interviewed by ABC TV for a short piece on some medieval chairs that he made.

We have had one new person begin to regularly come along to training over the last month.

We have had no new contacts via the Ynys Fawr facebook page.

**Chirurgion:** (Vacant) Please see the Seneschal

The Seneschal invites those people interested in filling this position to please email [dave367@iinet.net.au](mailto:dave367@iinet.net.au)

**Constable: Lothar von Dargun** (Chris Belbin)

Please see attachment 5.

**Gold Key (South): Beatrix Aetholsdottir of Jelling** (Betty North)

Gold Key: All garb now returned.

Known World Handbook: Should we look at another bulk order? I was asked about the book by one of the new people after Medieval Mayhem.

Rattan: Sold 1 long stick this month.

Tarremah demo/banquet organisation in progress. Thanks to those who have volunteered.

Please see attachment 4 for further details.

**Herald: Hrölf Herjölfssen** (Cary Lenehan)

Awaiting report

**Knight Marshall: Aidan Brock** (Kevin Hotson)

Please see attachment 1.

**NB:** Kev announced last meeting that due to personal reasons he is stepping down as Knight Marshall and asks for people interested in taking on this position to either contact him or the Seneschal.

On behalf of the group I would like to thank Lord Aidan for his service, over a relatively short period of time he accomplished a lot.

In the meantime if someone is interested in stepping up to this position or becoming Deputy to help cover the gap until a new Knight Marshal is acquired it will help keep the group operating, as the position is one of our compulsory positions.

### **Midwinter Coronation**

Saturday 7<sup>th</sup> & Sunday 8<sup>th</sup> July AS XLVII (2012)

### **Tarremah School Demo & Banquet**

Sunday 8<sup>th</sup> July to Thursday 19<sup>th</sup> July 2012

I have just been contacted by this year's grade 7 teacher from Tarremah to see if we can do our usual demo, and costume provision for their Medieval studies in July.

They start on 8<sup>th</sup> July and the Banquet is on Thursday the 19<sup>th</sup>. SCA people are encouraged to attend the banquet in garb to talk with parents, even if they cannot attend the demo.

I have asked for further information before we call for volunteers to see if we can do the demo which is on a week-day during class time. They fit in with us regarding which day, usually in the morning. Depending on what else is on the program I usually do costume fitting after morning tea or lunch, and usually on more than one day.

The class has 19 students which is about mid-size for Tarremah. This means there could be as many as 30 -35 parents as well so most of our Gold key goes.

We have charged \$50 for the demo and \$50 for the student/staff garb since we began doing this. The last several years, at their suggestion, we have charged the parents \$10, which they collect and let me know how much it is. I send them an invoice, they send us back a cheque.

YIS, Betty.

### **Great Southern Gathering**

## **Royal Hobart Show Demo**

Thursday 25<sup>th</sup> October 2012

The Hobart Show was a great way of promoting our so much so I believe we should make it a regular event. Some idea's that were raised were

1. Definitely need more Flyers etc. at the 2012 Show

**Action:** Dan Russell to start work on a new design for our flyers.

2. A portable backdrop depicting a Keep
3. An easy to erect period Pavilion that can used at the show and other events etc.

If you would like to be involved or have ideas David Beresford is putting together a team.

RHSD Team: David Beresford, Dan Russell & Nick Calabria

## **Welcome To All Things SCA**

Saturday 10<sup>th</sup> November 2012

This will be relatively simple affair with Heavy Fighter Practice, Rapier Practice and Target Archery to be held down on the Archery Field at Cambridge. Invite members to bring their assorted A&S Projects to the Cambridge Hall. Free sausage sizzle.

## **Proposed Events**

### **15<sup>th</sup> Century English Feast in September**

Probably about the second week in September. This is a feast built on completely period manners, period feast culture for that time and country, period recipes and serving methodology.

The Steward is planning on (budget permitting) a period spoon to be given as an event token to all who attend, to be used at the feast. It is not for the faint hearted, it will not be a cheap feast.

Maddie has already been notified of period earthenware etc that will need to be made for food presentation.

### **Northern Event in October 2012**

Details to be confirmed.

## Business Carried Forward

### Rattan

David has STICKS!

David requires a cheque for \$160.00 to be written out to David Beresford please.

### New Flyers and Newcomers Contact Details Form

It was suggested that we have flyers available at every event and training session with all our contact details. And a form to record any newcomers details so we can do follow up, put them in touch with our website, facebook and let them know when events are coming up etc.

**Action:** Dan Russell to liaise with Jackie Leitch to organise flyers and design a suitable form for these purposes.

### The Northern Thrones

His Excellency Baron Arnfinr Akasson (Ian Alston) can no longer store the Northern Thrones.

Betty North and Gian Wright have kindly offered to store these between them. A big thank you to you both!

**Action:** David Beresford to liaise with Ian Alston to arrange a suitable time to bring them down. (Still waiting to hear from Ian.

### Pavilion

I would like to investigate constructing a shade Pavilion for visiting Royalty and our reigning Baron and Baroness. It should be easy to assemble, light weight, hard wearing, shower proof and decorated appropriately.

I am open to suggestions and ideas, as well as ideas of how we could fund the bulk of construction without draining the Baronies Coffers too much. People should do some research on this – it's more urgent than tables. Still need costings and logistics etc – shed ownership/ storage needs to be sorted first. It was suggested that we start planning our next raffle, one to sell a festival and one to sell at the show. Dan Russell has found a place that makes great period pavilions that are strong and easy to put up and pull down, at a price of around \$1000,

**Action:** Dan Russell to bring all the details to next meeting for consideration.

David asks the group to allow a budget of \$1000 be made available to purchase the group a decent period pavilion once one is found and approved by the group.

See attachment 6.

**Raised:** David Beresford

**Seconded:**

**Against:**

### Ynys Fawr Directory

Betty North has been doing a great job getting every ones details. Thank you.

**Action:** Dan Russell has offered to enter all the names into an excel spreadsheet thank you and David Beresford is happy to do any finishing touches see it emailed to members and print copies as required.

### Poll

Dan Russell suggested we contact the expired members and conduct a poll to find out why they are no longer members and see if we can't entice them back to the fold.

**Action:** Dan Russell and David Beresford to work out the details for a poll.

### Archery Shed

Nicholas Calabria is writing up a bill of sale or transfer from the Archery Group to Ynys Fawr for the Seneschal to sign. So everything looks good and things are progressing.

**Action:** Nicholas Calabria to bring documentation to this coming meeting.

### Shipping Container

Tennis Shed was a no go. As an alternative it was suggested we purchase a quarter shipping container.

**Action:** Kev Hotson and David Beresford to source pricing on a container.

David found the following (Wayne @ Royal Wolf \$2640 Full container nothing available at this stage / 20ft Container on Gumtree for \$2100) They seem to be in short supply at the moment.

David Beresford will contact Tracey Sparks to gain permission in theory to install an additional container at Cambridge Archery Grounds should we find one that we can afford.

## Grant

It was suggested that we place an application for a Grant from the Claremont Council.

**Action:** David Beresford to look into this.

## Welcome Newcomers

Dan suggested that we make a welcome token or coin to give to Newcomers.

Another suggestion was that we could make Hoods as the Barony has plenty of Wool.

Who would like to Champion this project?

## Ian's Moving Sale

SCA stuff to go: Northern Thrones (These are to be stored at Gian's or Betty's house) plus Rugs.

Stuff available to Sell at materials cost to the SCA:

Gothic Arch chairs - \$80 for 10(12?)

Chandeliers - \$300 for 8 with ropes, hooks, pulleys, braces etc.

Bain Marie - \$100?

Chook rotisserie oven - \$100?

It was suggested that we should purchase Ian's Leon Paul 350NW Fencing mask, size L - \$120.

These were raised last meeting.

David Beresford preposes we purchase the Gothic Arch chairs - \$80, the Chandeliers - \$300 for 8 with ropes, hooks, pulleys, braces etc. and the Fencing Mask for a Total Cost of \$500.00

## **Canton of Lightwood Kingdom Report**

Seneschal: Adelindis filia Gotefridi (Liz Williamson)

### **STATISTICS**

5 members

3 active non-members (plus 8 children)

### **REGULAR ACTIVITIES**

Imots – held usually fortnightly, as a casual non-garbed get together. Members of the greater barony have been generously offering their time to mentor new members at Imots. New members have also been travelling to attend baronial fighter practice.

### **ACHIEVEMENTS**

The standout success for our first six months was the Medieval Mayhem, held on April 21st. It appears that there is plenty of community affection for the Mayhem, which was run by the Geeveston Community Centre (GeCo) from 2007-9 and revived this year as a joint venture between GeCo and the canton, by Eric who is both Canton Herald and a GeCo volunteer. We have had lots of positive responses to the latest incarnation, including sponsorship from local businesses as well as a high turnout from locals, and media coverage which attracted a number of attendees down from Hobart. We think it was very successful in raising the profile of the Canton, since our advertising material included details about how to get involved. The event itself provided an opportunity for SCA members to speak to a lot of potentially interested people and encourage them to investigate the SCA further. While it is too early to judge the effects on recruitment at the time of writing, we had a number of expressions of interest on the day and are hoping that will follow through into new recruits at our first post-Mayhem Imot (5 May).

The association with GeCo has also been fruitful. They have offered us a free regular meeting venue, free colour printing/photocopying and assistance with getting the word out. There is also the option of hiring the GeCo community bus for group trips.

### **EVENTS**

We have held three events so far – the initial demo in November 2011 where we recruited our first new members and regular non-members, a Newcomers tourney and feast in February 2012 where we attracted another regular non-member and some more interested people, and the Medieval Mayhem in April 2012.

### **PROBLEMS**

Our Newcomer's Feast and Tourney had the misfortune to be held on a day which reached a maximum temperature of 39 degrees, which reduced passing foot traffic to near zero and presumably had a major effect on the recruitment potential of the event.

One ongoing issue has been the expense of regular travel to (and from) the parent group. We do have the option of hiring the community bus from GeCo for trips up to fighter practice etc and are looking into this as a regular booking.

### **PLANS**

We are in the early stages of planning for our next event, provisionally titled the Midwinter Scholium. This is envisaged as a weekend residential event, held at the Far South Wilderness Lodge in Dover, and designed to combat the problems in attracting people from Hobart during the winter when return travel from an evening feast etc is over dark, icy mountain roads. We have inspected the site, and booked the lodge for the weekend of 27th-29th July. Plans include a soup kitchen on Friday night for early arrivals and a timetable of classes on Saturday timed to allow for people arriving from Hobart in more favourable driving conditions. The event will probably include a feast on Saturday night and more classes on Sunday and will wrap up in time for people to drive back to Hobart before dark. Instead of running multiple streams of classes we envisage a single stream in

which everyone will participate, covering the broadest range of topics we can encompass (a live action version of the Known World Handbook). We are considering seeking Kingdom assistance in defraying travel expenses for possible interstate presenters, should some eventuate.

We are looking to organise a Canton trip to the Burnie/Wynyard Medieval Fair on 14-16th September, reciprocating the visit by their organisers, the Order of the Dragon's Realm, to the Mayhem.

Further plans we have discussed include holding another event in November, possibly a Poisoner's Feast. We are planning for the canton to run four recurring events per year, scheduled at roughly three monthly intervals. Our current plan is the Newcomer's Feast/Tourney (Feb), the Medieval Mayhem (April), the Midwinter Scholium (July) and the Poisoner's Feast (Nov) but this is open to change as the canton evolves.

We have also discovered a venue, the Glen Huon Hall, which is suitable for hosting Kingdom level events, and we are interested in encouraging the Barony to use it as a venue, and also for the Canton to consider putting forward a bid for a Kingdom event in future years.

## **HERALD**

Canton arms and name: submitted in January, included on the February Lol. I don't have access to CoA commentary, but those who do tell me it's progressing.

Orbei Qorchi, name and device: <Vert, a chevron inverted Or>. Also on February Lol. No other information yet.

Both of these should appear on a LoAR (Letter of Acceptance and Return = the boss herald's final decision) before the end of the year.

Canton People:

William de Bonnay, name and device: <Purpure, three bows palewise Or>. William has his paperwork, but wants to discuss alternative options for the primary charges.

Morwenna de Bonnay, name and device: <Purpure, three owls Or>. Morwenna has her paperwork and has to do the colouring and return it to me.

(Tony Burton), device: <Per fess argent and azure, in chief a long ship purpure>.  
Tony needs to finish picking a name.

(Libby Chick-Burton), device: <Argent, on a cartouche azure a compass star elongated to base argent>.  
Libby also needs to pick a name.

Voice heraldry: I did a fair bit at Medieval Mayhem. I hope to train a few of the dozens of newcomers I'm SURE we'll be seeing at our next imot (fortnightly meeting) because a few people expressed interest.

## **ARTS & SCIENCES**

Activities: archery, cooking, fibre arts, dancing, games, heraldry, singing, weaving, banners/pennants/flags, garb & accessories, needlecraft/embroidery and woodwork.

Details: Most activities have occurred at our fortnightly meetings (Imots). Juleen and Katy regularly spin (spindles and wheels) and Katy has been researching backstrap and ground looms. Terry is an archer and has researched and built chairs for himself and Jan. Katy is in the process of building a yurt in keeping with her Mongolian persona.

The whole canton was involved in choosing a device, and Liz and Jan have done the sewing/embroidery on the banner. Liz also did a lot of the cooking for our newcomer's feast, where dancing was also enjoyed.

We have also had garb meetings where Libby and Jan have taken advantage of Mistress Madelaine de Bourgogne's expertise.

#### **REEVE**

The canton does not yet have a bank account or any funds. The Newcomer's Feast was run with funds from the Barony of Ynys Fawr, and the Medieval Mayhem was financially independent of the canton.

#### **CHRONICLER / WEBMINISTER**

The canton website is now up and running at

<http://lightwood.lochac.sca.org/> and the site for the recent demo/recruiting event the Medieval Mayhem is at <http://mayhem.geeveston.net/> Officers are encouraged to blog on the canton site; so far the A&S Mistress and Seneschal have done so. We need to use the Google Calendars feature on the site more extensively.

Medieval Mayhem had more limited funding than in previous years, which covered 2 sessions of display by the Burnie metal weapons group. Our Fighters did not put on a display as planned so the \$75 for the third MW display was paid out of the takings from the archery activity provided by individuals from both the Barony & Canton of Lightwood and the balance was banked for the Barony.
