Words from Their Excellency's Hrolf and Madelaine

Unto the Barony of Ynys Fawr,

We send greetings to you all and thank you for your best wishes and support in this difficult time.

Her Excellency wishes to thank the Incipient Canton of Lightwood for their recent IMOT. As usual she enjoyed it very much.

Last weekend once again the north showed that the people there can put on a very enjoyable event. The site seems to show promise. We were very pleased to see people from all parts of the Barony there. At Court during the event, and in compliance with the wishes of the Lochac Seneschal, the Ward (which had no official existence) was formally wound up. We would like to thank Lady Elspeth for the work she has put into it over the years. At the same time we welcomed new people into the SCA. It is our sincere wish that, in the fullness of time, and to help our Seneschal, the people of the north decide to re-open the Canton. You have the evidence of activity already. It is only through growth that the Barony will prosper.

Her Excellency looks forward to her attendance at the Collegium soon to be held in the Vale of Fingal and we hope that it will further act to grow our Barony. His Excellency regrets that he will be unable to attend at this time, but looks forward to coming to many future events there.

We have not yet ruled out that both of us will attend the Easter event in Lightwood, but at least Her Excellency will be there. Hrolf's attendance depends on how quickly he can learn to be mobile without pain with only one foot usable.

Given the number of things happening at the ends of the Barony we would be very pleased to see something happening in the heart of the group in the coming months of Autumn. We hope to see you at all at these, at Sunday training and at other times when possible. Please remember that our household social night, although not an SCA event, is a great time to bring people along to learn about the SCA and it is usually open to all members and prospective members.

We are sure that those fortunate enough to be able to head north for the knighting of His Lordship Wulfgar Jarinsiða at Rownay Festival will be well-rewarded by the experience. Once again we wish to congratulate Sir Guillaume and Wulfgar. Remember that the key to the further growth of our Barony, despite setbacks, is the continued attendance to Duty and Honour and the display of Courtesy and Chivalry to each other by us all. It is for these things that Wulfgar is being recognised for as much as for his combat prowess, and he has had a great teacher.

We will remind you that we are still looking for input on the new Coronets and the formation of an award, a household or some recognition for younger members. We hope to have some decisions on these by next month.

Your, in service to the Barony and the SCA

Χρωλφ

Conflicting Events

Louise Hollibery is concerned about the Liffey Event and our regular Sunday Fighter & Archery Training at Cambridge being on the same weekend.

The unanimous group consensus of those who attended this meeting was as follows:

Events in one part of the Barony cannot always be attended by everyone (particularly multi-day events), thus regular Baronial Activities will continue (e.g. regular training) unless it is a Crown Event or there is no-one to run it.

Seneschals to do List

1. Complete an application for a Grant from the Clarence Council and send through to the BOD ready for submission in March.
2. Give Lorix her Cheque of \$100 for the small pavilion. **Done**
3. David & Dan to get together on drafting a proposal for the Geilston Bay Footy Oval
4. Pick up the tables from Ian, handing over the cheque at the same time. **Done**
5. Purchase the Double Bell Pavilion (Wedge Tent) from Medieval Fight Club with the Reeves aid. **Nearly Done**
6. Send letters to Hobart City Council, Glenorchy City Council, Kingston Council, follow up the Clarence City Council, the Gun Club, Glenorchy Girl Guides and the Moonah Archery Range.
7. Develop an Event Package along with dot points detailing an Event Steward's duties (Including Documentation) before and after and event.
8. Need to investigate BOD Rules on raising money. Re sponsorship idea.

The Canton of Lightwood Seneschal: Adelindis filia Gotefridi (Liz Williamson)

Activity resumed in Lightwood with the first Imot on the 19th January, followed by Imots on the 2nd and 16th of February. Times for fighter training and archery were agreed on, with training being weekly on Wednesdays at 5:30pm in Rotary Park, Huonville, and archery on alternate Saturdays to the Imots (starting March 9) at Surges Bay Hall. We are hoping that the visibility of fighter training will help recruiting; to that end we have flyers available for any passers-by. We have also met up in garb for a BBQ dinner before training, which may be repeated.

For archery, the canton now has custody of two bows from the Barony, thanks to Anselm de Calabria, and several members have their own, but in order to be able to run practice independent of whether the Barony's archery marshals are free and willing to come down and lend us blunts, we will need to build a stock of our own. Anselm has kindly run a workshop on making blunts at our Imot on Feb 2nd, so the canton should be able to hold working bees in future, and our Captain of Archers, William de Bonnay, has been investigating prices for purchasing the materials. We would like to put a proposal to the Barony to defray some of the expenses of the materials purchases (we have also discussed alternate funding sources). The breakdown of expenses is in new business. Need a Quarter Master to account for Barony.

The first event run by the Canton this year will be the camping weekend at Surges Bay Hall over Easter, including a catered feast on Saturday night.

Web Minister: Perran of Lyskyret (Peter Apted)

I am currently investigating the best solution to our current calendar which is awkward and only has limited access to update it, currently limited to our seneschal. I intend to create a Barony specific webmail address, most likely a Gmail account ynysfawrmail@gmail.com and link a Google calendar to it. This email account will be available to those officers who need it (Seneschal, Chatelaine, Web Minister and possibly others) with a shared password. As it will be an account not linked to any one person's IP address it should be available to all those who need it, and be able to be passed on to any new officers. I am currently experimenting and testing this.

Seneschal: This Gmail account works fine, please go ahead.

Baronial Mural to be Gifted

A couple of years ago, for the visit of Bran and Lilia when they were Lochac K&Q, I created the Murals project. They were drawn from a storyline I made up and included original sketches by myself and Baron Lucas, Viking translations were supplied by Baron Snorri and they were painted on calico by numerous people of the Barony who were willing to lend a hand. They have been displayed at that weekend event and at GSG, and photos have been taken for posterity. Bran and Lilia were very pleased we went to the effort and they do like them a lot, and were gifted with a photo disc of them from Nick and Wendy.

Currently the murals are stored in my hall linen closet. I worry they will never again see the light of day. They will always be about Bran and Lilia's visit. Some time ago I was told by Lilia, that Bran was diagnosed with an illness that had lethal potential. It's been a few months since I heard, and I have no idea of how things are now for his health.

I was wondering if perhaps Lilia would like to have the murals as a gift to commemorate their reign, so I thought I would see what the Barony membership thinks about that? If the people who worked on them consent, I could see if anyone wants to take them to Festival and hand them to someone who can get them the rest of the way to QLD. I supplied butchers' paper and markers, paint and brushes, and the calico was bought by the barony.

Of course this would also depend on Lilia and Bran accepting any invitation to have the murals as a gift from Ynys Fawr; it could be they might have no room to keep them.

No objects to offer one to Bran & Lilia and keep the other two to be used at events.

Funding Opportunity for Community Organisations

The Tasmanian Community Fund invites organisations to apply for grants under our latest general grant round 26, which opens today.

Eligible applicants: Not-for-profit organisations proposing to undertake a project in Tasmania.

Eligible projects: A wide range of projects which support children and young people; community wellbeing and life skills; community participation and recreation; connecting communities; and culture, arts and heritage.

Funding available: Around \$2.5 million is available for allocation this round.

There are three funding streams – small grants up to \$10 000; medium grants \$10 001 to \$90 000; and, large grants \$100 000 to \$300 000.

Most of our grants are for small to medium amounts up to \$50 000. We may award grants up to \$300 000 in some circumstances.

How to apply: Applicants should provide the information requested in the guidelines by the closing date. Guidelines and access to the link for the on-line application and expression of interest forms are available from our website at www.tascomfund.org. For a hard copy of the guidelines or the forms email admin@tascomfund.org or phone the Fund Office on 6233 2920.

Closing date: Expressions of interest for large grants close on 27 February 2013. Applications for small grants close on 20 March 2013 and applications for medium grants close on 3 April 2013. We will not accept late applications.

Assessment: Our grant rounds are highly competitive and we are unable to support every worthwhile project. Organisations are strongly encouraged to contact Fund staff early in the process to discuss their proposed application.

We will advise all applicants in writing of the assessment decision by mid-June. Funding decisions are final.

Further information: Visit the Fund's website www.tascomfund.org or contact the Fund Office on 6233 2800 or 6233 2920.

Seneschal: Thank you for bringing this to the Barony's attention Louise, we are looking for someone to Champion this one?

It was suggested that Linda Cockburn has had experience with grants, the Seneschal is authorised to proceed and contact the Board followed by Linda to see if she is able to help with this?

RHS - Ynys Fawr National A&S Competition

We need to decide on Sections, there has been a lot of non-member interest in this and we need to start promoting this to the greater Kingdom as well.

Barbara Moate from RHS Creative Crafts Section needs to know the sections we would like in this year's coming show as well as at least two people who are able to judge. Their name, address, phone number and email address. This needs to be in by the 28th February.

We have decided to stick with the Open Section the same as last year and judge how it goes as far as interest, David Beresford and Cary Lenehan to be judges and David Beresford to be the Steward.

The Masonry Team

You may notice when you log in to do your reports that there is now a link called "Manage Group Email Aliases".

This clever little link will allow you to set up email aliases for all of your group officers along the lines of seneschal@aneala.lochac.sca.org or constable@riverhaven.lochac.sca.org and have them forward email to the relevant officer's personal email address.

They mean that you can now put on your website that you can be contacted at seneschal@group.lochac.sca.org rather than having to put your personal address onto a website where every bot will trawl it and spam you forever. Spam could still happen, but only while you're in office, not forever after. It also means that you can put an address onto your website, newsletter, business cards, etc and never, ever have to change it again.

It does make it the seneschal's job to update the aliases whenever your officers change.

So far this system will work for Bacchus Wood, Krae Glas, St Andronicus, Radburne, Rowany, Stegby, River Haven, Stowe, and Politarchopolis, mostly because they have people on the Masonry team.

If your group is not on this list and you want to do this, please ask me to set up a domain name for your group.

Once the domain is created, the instructions for setting up addresses are on the webpage. "Alias" is the officer@group address. "Destination Address" is the person's personal email address. Give it a couple of hours for the system to process it then send a test message to the new alias to make sure it works.

Let me know if you have any problems. And be sure to thank your nearest Masonry team member. They do a huge amount of work for very little reward.

Regards,

Catherine

Upcoming Purchases

Nicholas Calabria is in the process of ordering Fibre Tape and Blunts!

1. Fibre Tape (27 mm width) (I am placing an order for Fibre tape (27 mm width) and recommend that the Barony place an order as well. This width tape is excellent for covering 8 mm diameter arrows (blunts) for combat. The tape could also be used for wrapping weapons although I am not recommending it for that at this stage. The tape is expected to be about \$7.00 per roll (including postage and handling). I suggest that we order 10 rolls for the Barony ie \$70. These orders seem to only go in every two years or so. I am not sure if this is the first time mentioned. I think it may have been raised at the last meeting.)

2. Blunts (for SCA combat) (I am placing an order for SCA legal Blunts as used on combat arrows in Lochac. This time the Blunts cost \$1.30 each plus P&H which I estimate to come to \$1.50 per Blunt. This is the first price rise for Blunts in about 5 or more years so this is not too bad. I am recommending that the Barony order some blunts like it did last time (many years ago). Last time I ordered 700 Blunts with the Barony ordering, I think, 300. This time the order is nowhere as big. I suggest that the Barony order 100 Blunts. This is $100 \times \$1.50 = \150 . I think this is the first time Blunts have been mentioned for purchase but I could be wrong on this.

Seneschal: How many blunts does the Barony have on hand? Do we need to make arrows ASAP?
This really should be carried through to the next meeting, unless it is really urgent.

Arming the Canton

The Canton of Lightwood would like to construct some arrows so we can hold Archery practice on a regular basis without troubling members of the greater Barony.

An approximate cost for this endeavour would be around \$600

This will construct about 100 arrows supplying the Canton with arrows for the foreseeable future and also allowing for the ongoing manufacture.

Break Down: All prices are subject to change and freight.

Fletching Jig	\$100.00
Shafts	\$150.00
Blunts	\$150.00
Nocks	\$ 20.00
Vanes	\$ 60.00
Tapering Tool	\$ 17.00
Fletchtite Glue	\$ 20.00
Fibre Tape	\$ 21.00

Action: Nick to do costing on arrows.

Thank You

STATE of the OFFICERS and the OFFICE

I am reasonably content. I have no deputy at this stage. The group is reasonably supportive of the constables and their duties. I work well with our seneschal.

I get good support from the Lochac Constable so far. While I receive the constables list items I cannot seem to get 'stuff' on it but that has been a longstanding problem so I just correspond directly.

Figures below relate to regular Sunday training at Cambridge Hall and Archery Ground, except where they say event. I take these waivers and store them at my home.

Stronger Kingdom Fund

The Council of the Purse has just agreed to update the guidelines for the stronger kingdom fund. We will now grant up to a fixed amount without having to wait until after the event in question to determine the funding shortfall incurred. We also accept applications throughout the year (which we ended up doing anyway, but it's now official)

The policy can be found at: <http://lochac.sca.org/exchequer/wiki/doku.php?id=strongerkingdom>

Please email exchequer@lochac.sca.org if you have any questions.

NB: Vitale – Kingdom Exchequer for 2 more weeks!

Stronger Kingdom Fund

The Council of the Purse welcomes submissions for assistance under the Stronger Kingdom Fund. Submissions may be made throughout the year and will each be considered on a case by case basis.

The concept is to help bring expert visitors from other groups, to harness their energy and expertise.

The kingdom will fund up to \$500 towards the travel costs of bringing a visiting expert to the group. It is understood that actual travel costs may be higher than this, any further funding should be done by the group either through attendance charges for the event or other fund-raising. It could also be worthwhile asking Rowany for assistance from their Fighter Auction Fund, applying to the Laurels for 'Laurel Freedom Bus' funding, or seeking contributions from other SCA groups in your region.

By "experts", we mean members of the peerages (knights, laurels, pelicans) or the polling orders (archers, fencers). If your real need is a herald or an equestrian who is not a peer, write in with your case and the Council may consider your proposal anyway.

Your submission should fit on one A4 page, in MS Word or OpenOffice, and should include a description of your need, then how your proposed solution will address this. The submission can be generic ("seeking funds for 3 laurels covering costuming, brewing and thaumaturgy") or specific ("for Sir Cumfrance and his armouring trailer").

The fund's guidelines are that there is a planned Kingdom expenditure of \$1500 per calendar year. Once this budget has been allocated in a calendar year, then subsequent applications on the fund will be unlikely to be granted. There may be more groups seeking assistance than the funds available, so it's helpful if you can demonstrate value for money. For instance, if you hire a minibus, it may be possible to bring extra peers and perhaps some laurel apprentices or squires to help. It may be that one Laurel can offer several sessions to address more than one need.

Or you could get letters of support (email fine) from nearby groups to demonstrate that they will attend and maximise the benefit.

Once assistance under the fund has been approved, reimbursement can be made to the group upon presentation of receipts up to the maximum value awarded.

This policy is subject to review at any time.

Please send submissions to the Chancellor of the Exchequer.
