### Words from Their Excellencies Hrolf and Madelaine

Greetings unto all,

With the Tournaments of Prowess the year is off to a good start. We would like to congratulate Lord Bjorn Olfuss for his gaining the right to hold the Bronze Falchion until we call for it to be returned. We would also congratulate Sir Wulfgar, Lord Bjorn and Ronald of Ynys Fawr for their Chivalry in each of the three tourneys. We are also pleased to see that the Arts and Sciences for the day were well served and we congratulate Lord Joab Cohen for winning that. Of course, let us not forget Sir Wulfgar and Lords Bjorn and Lothar for their deeds of victory on the field. We all enjoyed your feats of prowess. There was some good combat.

Thanks go to those who made award recommendations and we would also like to congratulate Sir Guillaume for his Order of the Sable Chain, Lord Perran for his Order of the Garnet Anchor and House de Bonnay for only the second Order of the Billowing Sail to be handed out in the Barony.

We will see some of you next at Lightwood (again).

Yours, in service to the Barony and the SCA

Xpωλφ  
Baron Ynys Fawr

Madelaine

### ***Events and Demos since last Meeting***

*DF Tournaments of Prowess II*

8<sup>th</sup> February, 2014

### ***Upcoming Events***

*Twilight Picnic of the Martyrs*

Saturday 22<sup>nd</sup> February, 2014

These potlucks will be held every 3 months to celebrate the end of the season. This is the first of the four and will be held at Surge's Bay Hall. More details to follow shortly.

Steward: Dayle Wilkie

*Loxley Archers Medieval Tournament*

Saturday 1<sup>st</sup> March, 2014

See Attachment 8 for details

*Relay for Life*

Saturday 1st March, 2014

We will be setting up the pavilion and walking in our garb. Support staff would be great and 5-6 people walking would be advantageous but not necessary.

**Action:** Get as many people to join team and donate as possible

## Medieval Mayhem

Saturday 22<sup>nd</sup> March, 2014

After a year off, the Medieval Mayhem is back in 2014! On Saturday the 22<sup>nd</sup> of March, the town of Geeveston will be transported back to some indeterminate year when kings were kings, queens were queens and lepers had bells on. For more information, keep an eye out on Facebook and Google+. Events details will follow shortly.

*Amended: (\$200 has been put aside by gecko to pay for members insurance inside the Tourney Field where gecko's insurance does not cover. Subject to the number of members in attendance and the Field Heraldry on the day (ie effort to put on a good display) some of the \$200 may be made available to cover these members travel expenses on a case by case basis. Otherwise Gecko's Insurance covers all other activities including archery.)*

*Eric TF Bat noted that this was not entirely correct and so the following Amendment has been made:*

### Archery

There will be an Archery Field on the day run by both the Loxley Archers and the Barony. All proceeds raised from this will be funnelled directly back to the both groups dependant on the amount of input. So if we have more people down there supporting this we are more likely to come out with a greater share. Obviously monies received by the Barony will be used across the whole Barony and includes the Canton.

### Heavy Combat Display

There will be a Heavy Combat display dependant on the number of combatants that lend their support. And this is billed as entertainment!

The potential amount of monies available is \$250, but this is dependent on the amount of support we give this venture.

It is Eric's suggestion that if we get enough people to support this venture that we earn the \$250 then Betty North be the holder of the purse strings, that she keeps track of peoples petrol costs and other reasonable expences and reimburse people. The remainder to be donated to the group!

## Rowany Festival AS XLVIII

**Action:** Dawn Radel to begin organising the Baronial Event Account for GSG 2014.

## **Proposed Events**

### **Yule Feast in the North**

Saturday 6th December, 2014

Steward: Elswyth of Bery (Louise Hollingbery)

### **Business Carried Forward**

### **Advertising**

Kevin Hotson suggested we should advertise ourselves on the Southern Cross Community Notice Board.

Dawn Radel suggested advertising on the ABC's Community Notice Board as well.

Dan has read the policy on one of them and is happy for this to happen.

All the info has been passed onto Dan and he is looking into it.

*Seneschal: Before an Event is advertised in any media, it must be approved by the Seneschal and must also accompany an approved Event Flyer.*

**Action:** Need to chase up Dan to see if anything is happening on this front.

### **K&D Sausage Sizzle**

Suggest a display detailing where the monies are going / Garb?

**Action:** Have put in applications for Woolworths Moonah and Bunnings Derwent park, trying to find K&D site and Mitre 10 application processes.

### **Fighter Practice and Fundraiser**

Drinks and a sausage sizzle, could set up BBQ at Archery field and let the smell get the soccer and cricket players to come over.

*Seneschal: Did David volunteer his BBQ for this? If not who was it?*

David said no, but he said it may have been Kev.

### **Fighter Practice**

Still looking at the Show Grounds

**Action:** David is talking to RAST and breaking down costs. Still progressing!

### **First Aid Kit**

We need to check if the Baronial first aid kits have been returned.

**Action:** We will start looking for the first aid kits.

*Seneschal: Were they in the archery shed as suggested?*

The First Aid Kits were not found, David Beresford to bring a quote for a Sporting Events First Aid Kit.

### **St Gidas**

Chris Belbin is looking at re-opening St Gildas and having it do joint events with the SCA. If this happens around O-Day could see an immediate surge of newcomers at start of the year.

**Action:** Wait and watch.

### **SOP for Running an Event**

Ben suggested we need a formal published process for running events.

**Action:** Need to get a Ynys Fawr based one that covers things such as coffee, billeting, travel times, etc that are more specific to Ynys Fawr events.

**Baronial Badge:** Will start to kick ideas around at social nights and training. Can vote at training one Sunday by putting tokens in cups above A4 pictures of each proposed badge.  
David said let's get some idea's down on paper

## **New Business**

### **Chance to do Display at Kingston Linc**

Sara Burgess (the librarian at Kingston Linc) is responsible for organising displays at the Kingston Linc. She is looking for groups or people interested in a display after April. They have either lockable glass cases (of various sizes) or display boards for presentation, displays are for a month. You can display items you use as part of your re-enactments, events, posters or pictures of events, it's up to you.

They require that we fill in a Display Application form and set up and dismantle our own display.

Thoughts?

*Seneschal: I think this sounds like a great idea. It will be just after Rowany Festival so we can have some nice recent pictures from up "North" and from YFToP II. The only drawback is whatever goes into the display can't be accessed for a month so make sure you won't need it while it's in there.*

All those present at the meeting agreed with the Seneschal that this would be a great opportunity to promote the group.

### **Eastkirk Formation**

Renraw and Lillian have made the St Mary's/North-East group a bit more official by starting a Facebook page entitled "SCA North East Tasmania - Eastkirk". They will be having regular meetings at Lillian's house with Archery in the lower horse paddock when there are marshalls available. They are looking at holding a collegia/ activity day on the 2nd Sunday of the month.

*Seneschal: I love that the Barony is growing in leaps and bounds in all directions! I fully support the group page being made on Facebook, just remember to cross-post any events to the main baronial page as well. Good luck with it all, can't wait to get up for a collegia day.*

### **Promotion Opportunity in St Mary's**

The local Wood Guild will be promoting their group on the same day as the markets on the 5<sup>th</sup> of April, this could be a good opportunity for the St Marys SCA Group to do some promoting as well.

## Heralds Quarterly Report

### Submissions

Elspeth Jamieson and Baron Gersholm of Ravensdale have resubmitted changes to their devices in December. Elspeth's resubmission was a prototype submission for the electronic method.

### Consultations

Not many consultations done in this quarter.

### Returns

Jennifer le Dragoner de Lille. Name and device. Purpure, on a plate a dragon in annulo vorant of its tail azure.

### Awards

We have had two events that generated awards since the last report. It appears that their Majesties are not travelling to Ynys Fawr during this reign, so no Kingdom awards to report this quarter. Many of the secret awards granted in September have now been passed on to the relevant people. Will need to get Lord Drustin to an event soon... :)

### St Marys Xmas thingy December 2013

Field heralds Declan of Drogheda, Baron Karl Faustus von Aachen  
Court heralds Declan of Drogheda

### Ynys Fawr Tournament of prowess. February 2013

Field heralds, Lady Anna Felice Tavestoché, Baron Karl Faustus von Aachen, Baron Hrolf Herjolfssen, Sir Baron Guillaume d'Oze. (I managed to get a break for the first time in a very long while!)

Garnet Anchor: Perran Lyskyret  
Sable Chain: Guillaume d'Oze  
Billowing Sail: De Bonnay Household

### Voice Heraldry

A number of gentles have been active in the Barony during this quarter. Lady Anna Felice Tavestoché, your good self, Baron Hrolf Herjolfssen, Sir Baron Guillaume d'Oze and I even managed to do voice heraldry here and in Southron Gaard!

### Active Heralds

Lady Anna Felice Tavestoché, your good self, Baron Hrolf Herjolfssen, Sir Baron Guillaume d'Oze, Lord Declan of Drogheda for voice/court heraldry. Ronald of Ynys Fawr, Simon Mallory and Madoc ap Gryffith have been working on heraldic devices/artwork with an impressive level of talent.

### Other Heralds' Activities

Sir Guillame has been doing events, Madoc illumination (of awe inspiring beauty), Anna has been running the Barony and I went to Southron Gaard and did a bit of field heraldry there (they want me back, should I be scared?!)

### Recommendations for Promotion

Thank-You very much for promoting and (in my case) confirming previous promotions of various gentles, in particular Lady Anna and Sir Guillame.

### Problems

Google searching the Lochac Heralds website is presently turning up the old version with the outdated roster.

### Questions and Comments

I will be chasing up registering a new device for myself when the electronic submission process is settled. I do not have an Oscar registration to the best of my knowledge, so I've gotten off my rear and registered with them. Hopefully this will help. It's been a quiet quarter event wise. Still seeking out a replacement, will keep you up to date when a successor has been found.

## Rapier Marshall Quarterly Report

Rapier in Ynys Fawr took a break during the second half of December and the month of January, North and South. Southern practices are scheduled to recommence on the 17th of February at an earlier starting time of 7pm. No news received yet on the restart of the Northern rapier practice.

Southern practices have been getting a minimum of four participants with up to six in a session. Northern practices are averaging three to four.

In late November, after testing swords, masks, and armour of most of the members of the South, I travelled north to test that group's standards. Picked up a weapon failure and an armour failure. Participant has been told how to comply with the requirements, will be checking on how this has progressed. Returning participants will be SAM tested before being allowed to practice. (there are at least two people this applies to)

Personally I've not been able to get into armour since late September due to personal issues relating to my marriage break-up. This has not prevented me from attending Southern practices and conducting training. Did participate in some tourneys in Southron Gaard in January, it was nice to be killing people again (especially Dons, with dagger shots, to the head! :)

I took up this office in July 2012 and am looking at stepping down July 2014 onwards (can stretch to December 2014 and I have a preferred successor).

## Details of Above Activities:

I'll be replaced as baronial A&S officer hopefully in March this year.

Recently we had a collegium on the topic of tourneys and making them a richer experience.

Each Sunday there is archery and sewing alongside heavy combat practice, on the first Sunday of each month there is also dancing.

Every second Saturday, and first Sunday of each month, there are general A&S activities in two of our remote subgroups.

There have also been regular gatherings for fencing.

Over the Christmas period there was a lull in activity for a couple of weeks.

## Recommendations: for achievements/for competitions:

Nothing from me at this stage

### Canton Of Lightwood Seneshal's Report

Not too much to say about lightwood this month as everything was focused on the YFTOP event and putting the finishing touches on that. I think it was safe to say that the event was a great success for the canton.

We had archery at surges bay on the 25<sup>th</sup> which had a good turn out of 8 members present with 3 adult and 3 junior shooters turn up. The wooden bunnies that Jan painted up as targets were a big hit among all the shooters and fun was had by all. If the bunnies were real we would have had enough stew for the whole barony to eat.

Our last A&S Imot was a success with many people working on projects and garb making we are now going to start looking at making a canton list field.

Upcoming is the Twilight picnic on the 22<sup>nd</sup> of February, which is potluck so bring something yummy to share and enjoy the games and fun we have planned.

And after that the next big thing for the canton is Medieval Mayhem on the 22<sup>nd</sup> of March.

We look forward to see all those in the barony soon.

### Attachment 8 Web Minister

During the past quarter I have made the following alterations to Ynys Fawr's website:

- Updated the link to the Order of Precence.

- Made changes to the A&S page, and added links as requested by our Arts and Sciences minister.

- Added links directed to the Lochac Order of Precence and the Lochac Roll of Arms.

I have also added the photos provided by Lord Anselm to our Flickr storage. I have also added a link on the useful links page that will take you directly to the Ynys Fawr Flickr account, with the photos, with the photos displayed i their respective sets by default.
