Words from Their Excellencies Hrolf and Madelaine

Greetings unto all.

The Harvest Feast has been and gone and a big thank you to all involved in putting it on. Like topsy, it grew. It was nice to have so many recommendations and to be able to recognise people for their deeds and achievements. Everyone enjoyed themselves and there was some good fighting and archery to go with it. The A&S entries were spectacular. It is sad so many pulled out after food had been bought. We may need to think about getting non-refundable deposits on attendance though – say \$5.

The Kraken Hall at the Royal Agricultural Showgrounds is going well. For those who have not seen it, we will be well set up when it is finished. We can only mention the most frequent workers, as so many have pitched in, but Lady Anna Felice and Lords Perrin, Aidan and David seem to have taken up residence there. The old carpet is gone and the painting is nearly finished in all rooms. We have the replacement carpet (for a great price) but we still need more underlay. We also need to look at making a large cupboard in the storage area (that covers the windows). Remember that we don't want too much in the main hall and kitchen before Show Day as we will need to move it (this year) into the storage rooms.

His Excellency has put his submission for the Medieval Garden section at the Royal Tasmanian Botanical Gardens in to the authorities and we are waiting word back on this. At the moment the only definite things to plant are Guinea Pepper (*Aframomum melegueta*) – known as Seeds of Paradise - and Long Pepper (*Piper longum*). Do any of the cooks have a recipe that they would love to try, but cannot due to ingredients?

We look forward to seeing people at the Bardic Pot Luck to inaugurate the hall in a few weeks. We suspect we will be doing a 'perform or pick' for entertainment. In other words, when your turn comes around you either perform or ask another person to perform in your stead, usually selecting something appropriate for them. The acoustics are excellent, so even the softest voices should be heard.

Yours, in service to the Barony and the SCA

Χρωλφ

Madelaine

Well it's been a busy month, especially in the last week. Garb has been out once more to Cosmos [on the house] for their 'gang show ' type evening with the cast doing a short scene from the movie which is planned to be shown with others sometime in September. A few other items went to the Lightwood event and a whole bunch [about 20] went to the Mars & Geo people running the Game of Thrones themed 'Barrel' for the end of semester at the University. Oops nearly forgot the request for the party as well the week before. We have been offered the possibility of some more stable racks as a result of the last two.

### **Herald: Drusticc inigena Eddarrnonn (Alice Finlayson)**

In May we had registrations for two people, Aidan Brock - device, and Juliana de la Rose - name and device.

The following awards were announced at the event on 31/5/14:

Adelindis filia Gotefridi - Azure Pennon, Declan of Drogheda - Garnet Anchor,

**The Canton of Lightwood Seneschal: (Dayle Wilkie)**

The biggest event for the canton this past month has been the Harvest feast and tournaments which were both successfully run on the 31st of May. The winner of the tournament was Lord Robert de Bonnay he also received the Bronze Falchion and the people's choice awards. The winner of the men's archery tournament was Lord William de Bonnay and winner of the ladies archery tournament was Julianna del a Rose. An Arts and Sciences competition was also held the winner being Kelfae with her miniature painting of an agriculture goddess she also won the people's choice award.

The canton also held its first project night at Geco it went well. There was also a small Imot held due to the fact that the Seneschal was away and it meant the rest of the canton got a rare Saturday off to pursue other things.

The canton is looking forward to the upcoming Baronial pot luck in July to celebrate the opening of our new baronial hall.

**Seneschal:** What is happening with Lightwood's bank account? Haven't heard about this in a while now?

**Keeper of the Hall: David De Derlington (David Beresford)**

It has been suggested to put forward a bursary of \$50-75 to help cover people's out of pocket expenses at the hall (e.g. for mould killer and black paint) which should be covered by the barony not individuals.

**Moved:**

**Seconded**

**Vote:**

Can we organise a day/night to have a meeting to discuss the hall? The meeting will discuss: decorating the hall (what goes where, when and how), storage (what do we need, what size, where will it be, how will it be secured and assembled, will it be itemised, etc) and other topics pertaining to the hall.

**Seneschal:** Are we being billed for hire from the 1st of June or from when the lease was signed?

**Web Minister: Perran of Lyskyret (Peter Apted)**

In the past month I have updated the Officer page and the Arts & Sciences page to show the current A&S Officer and Herald. I have also updated the regular events listing to show Sunday training at our new site.

## **Business Carried Forward**

### **Advertising**

Kevin Hotson suggested advertising ourselves on the Southern Cross Community Notice Board. Dawn Radel suggested the ABC's Community Notice Board as well. Dan has read the policy on one of them and is happy for this to happen. All the info has been passed onto Dan and he is looking into it.

Kevin suggested that we could do an event notice in the Saturday Mercury saying come and see us at the Show Grounds after we have spruced up our new home this would include a GSG flyer and a small advert about the SCA.

### **Community Sausage Sizzles**

Nicole has emailed K&D Hobart and Glenorchy. K&D Hobart has offered July 27th. We need people to do the online training course ASAP if they haven't already. The link is:

[http://www.hobartcity.com.au/Environment/Public\\_Health\\_and\\_Food/Food](http://www.hobartcity.com.au/Environment/Public_Health_and_Food/Food)

Bunnings is still processing our request and Moonah Woolies no longer does BBQ's after complaints from the cafe next door (stealing away customers) however they suggested we try Woolies in Campbell St, Shoreline and New Town as they are all known to run BBQ's.

**Action:** Nicole will start discussions with Woolies in New Town, Campbell Street and Shoreline to organise more BBQ's. She will also track down anything else we need for the BBQ at K&D in Hobart. (e.g. local council approval for a food stand, public liability insurance from SCA Ltd., etc)

### **Chance to do Display at Kingston Linc**

Nicole has emailed Kingston Linc and in the time since Festival the rest of 2014 has been booked out. Nicole has asked if we could have a display early in 2015 (February) and we could run an event to coincide with this display at the end of the corresponding month.

**Action:** Nicole is to email the Librarian to book the display.

### **Medieval Garden Bed at Royal Botanical Gardens**

**Action:** Cary is to follow up with the Gardens and start sourcing some plants (e.g. Grains of Paradise).

### **Officers, Rules and Regulations**

The Minutes for Baronial Meetings will now ONLY include discussion, notes and added items NOT already on the Agenda. This is to stop the doubling up of information and cut down on the length of the Minutes as asked for by Kingdom Seneschal. Monthly reports will still be published in the Agenda and will still need to be sent AT LEAST three days before the Baronial Meeting.

### **Carpeting the New Hall**

We now have carpet which was purchased for \$240.00 from the South Hobart Tip Shop. Thank you to Cary, Ben, Star, Peter and Kevin for helping find, measure, transport and clean the carpet. We now need to get someone to lay it for us.

**Seneschal:** Has this been organised yet and how much have we been quoted for?

### **Decorating the New Hall**

A very good idea was to display people's devices on tourney shields down one side of the Hall. This will be done as an A&S workshop after the Hall has finished being refurbished.

## ***New Business***

### **Great Southern Gathering**

**Seneschal:** Has the walk through of Orana happened yet? When will it be happening?

### **Leather Purchase from Anton D'Stoc**

Our leather is now stored at Jennifer Blaikie's residence in Sydney. David has gotten a quote for freighting of the leather to Tassie. The quote is ~\$700, the leather is in large boxes which will then be brought down by Island Removals. The transport cost will be shared evenly by those in Tassie who bought leather, we will also pay for the boxes which cost \$76.50.

This means that for the 5 shares down here (David, Eowyn, Damien, Lightwood and the Barony) it would be \$150 per share. The Barony has offered to pay for anyone who can't afford this additional cost right now and they can pay us back in instalments when possible or they can give us leather from their share (which will be on sold for a profit) to help cover costs.

Damien has already asked if we can cover his share, Lightwood will pay for their share, what do the other shareholders wish to do for payment?

### **Assets Policy**

Kevin has asked that we look into the SCA's asset policy as our assets at the new hall will be covered by SCA Ltd not the Barony. In particular, we would be looking at point 7 which requires a list of all assets, when they were acquired and how much they cost. Kevin has already volunteered to do this. The policy is available online at: <http://sca.org.au/board/documents/policy/assets> if anyone wishes to read it.

### **Monthly feasts/potlucks/events at the new hall**

Would this be possible and does the last Saturday/Sunday of each month work? What other times would suit? (can we avoid clashing with Lightwood due to their Saturday Archery/Imot's?? or is this inevitable?)

### **6 month lease at Cambridge archery shed**

Do we want to extend the lease for 6 or 12 months? Do we want to move all our stuff to RHS now that we are approved for points and blunts? What are the costs involved? When/why would we use the Cambridge shed other than for storage?
