17th September 2014

Attendees: Nicole Hellessey,

Words from Their Excellencies Hrolf and Madelaine

Greetings unto all.

Over the last month we have seen an event and a demo held by Lightwood, both of which were well attended. Lightwood continues to be a canton of which the Barony can be proud, with membership steadily growing and being active. We encourage the greater barony to enjoy the hospitality of this Canton.

This end of the year is generally a highly active time for events and demos. We also wish to encourage those of Our Barony to the North, to invite and encourage the southerly members to events properly initiated and tabled, with plenty of lead-up time, so that We may make Our plans to travel and attend.

The next few weeks are a time for getting ready for the Royal Hobart Show demo, the events leading off from that, and GSG. This will be a time we encourage Our Barony to be creative and actively participate in whatever manner is best suited to each person's skills. We would like to see both core and peripheral membership of the central part of the Barony become larger in order that we do not stagnate and become trapped in the revolving door syndrome that besets smaller groups. The best way to do that is to be active and take joy from our events and demos, knowing that it is the best way to attract new membership and re-invigorate returning members.

Once again we encourage everyone to write to Us, either in electronic form or on paper, with your observances of the talents and service of others around you so that We may be able to recognise those people by way of awards and encouragements.

Yours, in service to the Barony and the SCA

Lou Bery has resigned from the BoD. We would like to thank Lou for all of her work over the years for the Barony at a Board level.

Deputy Seneschal: Aiden Brock (Kevin Hotson)

Nothing to report.

Chirurgion: Position Vacant. Enquires to the lady Seneschal

Kingdom Chirurgion has come back with an answer saying that Copora explicitly states that a reigning Baron or Baroness IS allowed to hold a minor office within their Barony. The position of Chirurgion falls under this category.

Does the Baron still wish to step up for this position or would he prefer to be the new Lists Officer?

The Canton of Lightwood Seneschal: (Dayle Wilkie)

See Attachment 4 for a full Report on the Canton.

Web Minister: Perran of Lyskyret (Peter Apted) This position will be open shortly, anyone willing to step up should consult the Seneschal, B&B and the Webminister.

During the last month I have added Lord Aiden Brock to the listing of officers in his newly created position of Quarter-master.

Have also double checked the web page for any reference to the now defunct mobile number and found it to be clean of all traces of that. This was in response to a comment that it was still being seen, which I can only ascribe to the idiosyncrasies of the portable device being used.

Business Carried Forward

Advertising

Nicole has contacted the Community Connect Noticeboard, which advertises on 100.9 Sea FM, 101.7 HEART FM, Southern Cross TV and TDT. The advertisement placed is for Welcome to All Things Medieval on November 9th. The hope is by getting lots of people coming to the "open day" that weekend we may get a few more newcomers to Ludos Pro Omnibus the following weekend and it follows on directly after our Royal Hobart Show display.

Medieval Garden Bed at Royal Botanical Gardens

The sign for the Gardens will cost ~\$70 to be printed up. Cary and co. have written up a 200 word piece to go on the sign. If people are happy with the sign can we move for it to be made and paid for.

Action: Cary is to send in the paperwork for the sign.

Decorating the New Hall

A very good idea was to display people's devices on tourney shields down one side of the Hall. This will be done as an A&S workshop in early 2015 as this year is currently too full.

The Leather

It continues to be sold both here and in the Canton. It is great to see the members of the populace taking this up and making so many things and getting loads of ideas for projects.

Assets Policy

Kevin and Peter have created a database in which to put a comprehensive list of all the Barony's assets at the hall. If you are interested in assisting please contact Kevin directly at Quartermaster@ynysfawr.lochac.sca.org

New Directory

Action: David is to email members about being in the Directory and will begin compiling this soon.

Vacuum cleaner for hall

This will be purchased in the future. We currently have a working vacuum cleaner and unless we really need a wet/dry vacuum this can wait.

Relay for Life - 2015

On August 26th Peter and myself went to the information night. 2015 is going to be a great year for Relay and I have signed up the Ynys Fawr team already under the name "SCA Tasmania" but creative names like "A Night of Knights" can be put up so come up with ideas and we can change it closer to the date. Please go to the website and donate or sign up to the team! www.relayforlife.org.au I have already recieved our team pack with receipt books, coin boxes and more so these will start to appear until the Relay on March 28th, 2015.

An A&S workshop on running events

Could be run by Lionheart Company? Work on budgeting, planning and basic organisation needed for an event. Run in mid 2015?

The Canton has been meeting twice a week for the month of August to get a lot of garb sewing done as well as other Canton projects. We have had a steady turn out each week with 6-10 members turning up each session.

The Cantons new banner was completed and debuted at the Geeveston Spring Festival, and a big thank you to Marie for working on it at home as well so it would be finished. The festival was a really good recruiting day for us and we had 8 people who put their name down as interested and asked to be contacted about upcoming events.

We also started our new fundraising project of a raffle to be drawn at the Geeveston Xmas parade. First prize is a family set of garb, a man's tunic and pants, a ladies underdress and tunic and a child's tunic made by Angela and Chrissy. Thanks ladies. Second prize is a set of feasting gear, a wooden plate and bowl turned by Terry (goblet to come) and third prize is a leather belt made from the cantons leather stock and also made by Terry. We didn't sell many tickets but we have a little while yet to go.

The tournament of St victor was a huge success for the Canton with everyone having a lovely day. The combatants I'm told were splendid and the archery was enjoyable. Congratulations to all the winners. We had 19 shooters including 4 juniors. Congratulations to Bill and Chrissy for running a splendid event. The tournament made the Canton a profit of approx \$79.

The Canton also had a sale day to sell leather to Canton members and we have more than covered our costs to date.

In other news the Canton Reeve Jan Arnold and the Canton Hospitaller Eric TF Bat have advised they wish to step down at the end of September. The Deputy Reeve Angela Garth is now going over things with Jan to take up the role and the commentary period is open. Jan would like to take over the Hospitaller position as this is not a major position in the Canton. Angela will still continue on as Web Mistress for the Canton.

Yours in Service
Mariot deBonnay

Canterbury Faire 2015

“Revenge of the Dauphin”

The nobility of France is hereby summoned to arms and is ordered to assemble at Rouen, wherefrom we will harry and assault the forces of the presumptuous brigand, Henry V of England until they are crushed beneath our sturdy horses' hooves or lay down their arms and surrender to the justice of our puissant lord, Louis, Dauphin of France.

All nobles should provide men, weapons, armour and provisions for a campaign not less than 3 months in duration, from August 1415 to October 1415, during which time we will assault the English forces from Harfleur to Agincourt, after which we expect Henry to be enjoying the accommodations of the Bastille.
