### Words from Their Excellencies Lucas and Madeleine

Sadly, we have not wayfared this month as we had hoped, due to mundane concerns, but we have had enough fun already this month to last us until College War!

Sir Guillaume d'Oze and House Calydon surpassed themselves at the Victory Feast held after the Fourth Tournament of Prowess. Everything was wonderful, but I believe the roast Gryffon and the edible trees will stick in our memories for some time.

Congratulations to Lord Lothar, Sir Guillaume, Lord David and Lord Phillip for winning the prizes.

Lord Phillip has stepped down from the Baronial Guard; Lord Lothar has taken his place.

No award recommendations received for some time; please remember that the only way for your friends to be rewarded for their good works is to recommend, recommend, recommend!

The Baroness's gift box is starting to get a little peckish! Any contributions to keeping its belly full would be much appreciated!

Lucas and Madeleine

### Officer's Reports

#### **A&S Officer: Angharad Ferch Eynon** (Angharad Jones)

A replacement has been found and will be installed at next court. Congratulations and thanks to Baroness Stella de Ravenscar (Clare Gatenby) for stepping up to this position.

#### **Outgoing Chatelaine: Madelaine de Bourgogne** (Marjorie Lenehan)

Greetings all,

This year has seen one family and one couple, and at least 2 young men, join in with the baronial events and meetings. The main demo we have done has been the Derwent valley Festival which has helped to create a positive profile of the SCA in the Tasmanian community. Also our presence there helped some people to 'find' us, in that they had looked up the SCA, found the Lochac website, and joined without even coming to anything, and then made contact with us!

In as much as demos seem to have little effect in the short term, they have impacted the barony well after the fact. The on-going activity between Baroness Beatrix along with some occasional volunteers, and the Steiner School with their Medieval day and feast each year brings a bit of money into the Barony but more importantly ensures we have a good reception with families in the South of the state who recognise us, and this can only be a good thing in the long term.

Part of the Office has been to promote the Barony, and Jackie has been a wonderful source of energy in that respect, developing give-away pamphlets with contact info, as well as SCA T-shirts and bumper stickers. There is also a Vodafone mobile that I have not paid much attention to, as the few times I have responded to a missed call on it, the person at the other end has claimed they have not made the call. Jackie has donated a timber chest for storage of the promotional material, and I leave it to my successor to deal with it as he sees fit, once I manage to give it to him.

I have spoken often with Wulfgar about the duties and responsibilities of the office of Chatelaine and I am happy to recommend him to you as my replacement, and he has been accepted in Court by our Baron and Baroness at Sir Oze's feast in June this year.

I have taken this position at the encouragement of Baron Lucas, and now I must pass it on to Wulfgar, as I feel I can no longer devote time and energy to do the position justice.

Thus endeth my last Chatelaine's report.

Madelaine de Bourgogne

The Barony thanks Marjorie for all her efforts during her term in office.

**Chatelaine: Wulfgar Jarnsiða** (Daniel Russel)

Greetings all, I look forward to stepping into this role to promote and grow this Barony.

We have a number of promotional opportunities coming up, one being the upcoming Royal Hobart Show where we will have a display! I welcome ideas for this from the group!

Dan invites the Barony to become members of the Ynys Fawr facebook page and to post SCA related photo's to the site.

Dan asked that \$100 be made available for the purpose of purchasing promotional material for the Chatelaine box.

**Raised:** Daniel Russel

**Seconded:** Marjorie Lenehan

**Against:** None

**Action:** David Beresford to investigate \$100 debit card so that all purchases can be easily tracked.

**Chirurgion: Madeleine de Châlons** (Sarah Brown)

1x injury during 4th Tournament of Prowess. Injury was not the fault of any opponent; combatant stated had had previous injury. Combatant sought Panadol after the Tournament was completed, same given by Baroness Madeleine de Chalons, Baronial Chirurgion.

**Chronicler: Wenefrith de Calabria** (Wendy Cockshaw)

We are doing our best to put out Islander by the first few days in the month, but this is not always possible. We will do our best to make this possible for the future given constraints, such as the need to wait for information to come in to us, and mundane issues!

Thanks for the support from the Barony.

David noted the proposed All Saints Feast and Oestmark Ball Event advertised in Islander and advised that in future only Events that had been approved by Seneschal could be advertised in Islander. This avoids confusion should a proposed event not get off the ground. Any person proposing an event to please ensure approval prior to placing in Islander

This was supported by Sarah Brown.

**Constable: Lothar von Dargun** (Chris Belbin)

Still waiting for figures from the last Tournament of Prowess and Victory Celebration Feast.

Need to check out more long rattan.

**Iron Key: Vacant**

This position is currently vacant. This position is to be deleted; Iron Key will become the sole responsibility for the Knight Marshall. So please see the Knight Marshal for all armour related enquires.

It was noted last meeting that the loaner armour is in need of some work and that there is very little loaner armour suitable for people of a smaller statue. Please refer to new business.

**Knight Marshall: David de Derlington** (David Beresford)

As I have taken on the position of Seneschal I am now looking for a replacement. Could those interested parties please make themselves known in the form of an email to me. I will also be advertising the position in Islander and on the list. I will be stepping down from this position as soon as a replacement is found.

Please see attachment 2 for the Knight Marshalls Report.

**Action:** David Beresford to inform the populace via the list that there will be no training held on Sunday the 3<sup>rd</sup> of July so that the Barony can give its full support behind College War.

**Lists Officer: Elspeth Jamieson** (Julie Lawler)

Julie is waiting for information to come through with regard to the Tournaments of Prowess before making a report.

**Reeve: Elspeth Jamieson** (Julie Lawler)

Report received, please see attachment 3

David Beresford asked that the necessary forms are sent down so that he could be made a signatory.

**Action:** Julie Lawler to send down the necessary forms.

**St Gildas Seneschal: Marie de Beaugency** (Tehgan Sherwood)

Deputy Seneschal Lord Lothar von Dargun (Chris Belbin) sent Lady Marie de Beaugency apologies and said College War Book Now for the feast.

**Seneschal: Arnfinr Akasson**(Ian Alston) & **Incoming Seneschal: David de Derlington** (David Beresford)

*Ian did plan to say a few words but unfortunately due to his unrelenting workload he has been unable to do so. In lieu of Ian, please accept my submission below.*

To my fellow Officers and the people of Ynys Fawr I bid thee all greetings!

The Seneschal's position can be a huge job and I am sure I will have a sharp learning curve, but with your help I am sure we can make this Barony something to be proud of and I look forward to working with you all to make this happen.

I understand with the Agenda and Minutes coming out late and the turmoil of a changing office it can be confusing where reports should be sent but from now on I will be receiving all Officer Reports *prior* to the second Thursday of every month to ensure inclusion in the Baronial Agendum.

The first thing I would like to encourage is more promotion and advertising of any upcoming events.

It was pointed out to me by Baron Sir Guillaume d'Oze that he should have had flyers advertising College War at his event to encourage attendance. So we will need to make sure there are flyers made available at College War for Great Southern Gathering.

I would like to thank all for their congratulations and expressions of support and will hope and strive to live up to the expectations of the populace.

Yours in service

David de Derlington

**Warden of Oestmark: Elspeth Jamieson** (Julie Lawler)

**Web Minister: João Baptista de Oliveira** (Brian Oliver)

The Web Minister is looking for a replacement

**Action:** David Beresford to contact Brian via phone with regard to the Web Minister Position.

Steward: Marie de Beaugency: [teghans@utas.edu.au](mailto:teghans@utas.edu.au)

A&S competitions: College Regalia, Siege Cookery, Bardic, Warm Clothing, Group Heraldry & Brewing

We are also hoping to run a tourney at training on the Sunday afternoon. We would like it held at Cambridge as it means a) we don't get charged an extra day at the Lea and because it's close to the airport so we can get people to their flights on time.

We are also looking for anyone who is able to host an Ursulan on Tuesday night (the night before college war starts) as they are flying in as a group a day early. There should be about ten of them in total that we need to find accommodation for.

The college is also looking for fabric scraps and bits of old trim for one of our mystery A&S challenges. Anything larger than A5 would be suitable. It is likely to be thrown out at the end of the event so don't give us anything precious/expensive! I should be at training next week so if you can bring it along I can collect it then. Let me know if you need more information.

YiS

Annabelle Perrot

Please also note: Rowany Wayfarers have requested pillows and/or blankets (because they are heavy/awkward to travel with) combat arrows (if possible, for two archers).

Possibly a pole arm/glaive (one of our heavies was sad when I said he couldn't take his)

Please let me know if you can assist as it'd really help college war get off to a good start.

Please see Attachment 4 for a detailed time table.

The Event is a feast followed by the Oestmark Ball.

There will be prizes for best garb, entertainment and sweet dish and a raffle on the night.

More information will be forthcoming once this event has approval.

We hope to be able to book Carnaroo Scout Hall for this event.

**Rose Tournament** February 2012 (Either Saturday 11th or 18th)

This event will be jointly run by Lord Wulfgar Jarndsiða and Lord David de Derlington and promises to be a day full of pageantry and skill at arms in honour of the ladies of Ynys Fawr.

## **Business Carried Forward**

### **Cambridge Hall and Archery Grounds**

Thankyou Betty for having the initiative to chase this most important issue up Kingdom have sent their approval for Ynys Fawr to have a contract with Clarence Council for the hire of the Archery grounds at Cambridge based on a prospective hire cost of \$70. This has been forwarded onto Tracey Sparks Property Officer for the Clarence City Council, Tracy will arrange for this to be executed by council and an invoice to be forwarded shortly.

### **Cambridge Hall Payments**

A post office box is currently being set up for receipt of such invoices by Ian.

Now awaiting Kingdom approval. TBA. Is there any reason it has to be Bellerive?

Query possibility of installing a PO Box at Moonah Post Office, mail will then be forwarded to the Seneschal. This gives the group a static address. This was approved at a previous meeting for Bellerive.

**Action:** David Beresford to set up the a PO Box at Moonah.

### **General Equipment Maintenance.**

If there is a repair kit maintained at Cambridge there will be no need to have petty cash for armour repairs. Please see new business.

### **Marquee for sale**

David Beresford investigated the Marquee that is for sale along with Daniel Russel. Although cheap it was found to be in poor repair with numerous patches and a large oil stain. With a lot of elbow grease and some extra money spent it would be an average Marquee. Ropes would be required to be replaced as well additional large pegs purchased. It requires up to six people to set it up.

Query the viability of this purchase when for a little more money a purchase could be made of something that is light, easy to erect and with some smart decorating could change a modern pavilion into a medieval one. I recommend we should investigate other options.

It was decided that this was not a viable option.

**Action:** David Beresford invites those that are interested to investigate alternative options and bring them to the next meeting.

## Raffles

David Beresford has made some enquiries into the legalities of holding a raffle. As long as it is for a non profit organisation, the prize is under \$5000 and ticket sales do not exceed more than 5 times the value of the prize then a licence is not required. However before a raffle can be organised it has to be approved by Seneschal. A copy of the Gaming Control Act 1993 from the Tasmanian Gaming Commission was tabled.

## New Business

### New Loaner Armour and Repair Kit

It has been noted that our loaner armour is in need of some work and that we have very little loaner armour suitable for people of a smaller stature.

After a small amount of discussion with Dan, Nick and David the following options were raised for consideration.

A Baronial Repair Kit: (To be maintained by the Knight Marshall - Iron Key)

1. Small Tool Box	\$ 0.00	(Peter to donate)
2. Leather Punch Kit	\$ 0.00	(Dan to donate)
3. 8oz Ballpein Hammer	\$ 15.00	
4. Wooden Block	\$ 0.00	(David to Supply)
5. Anvil (Railway Track)	\$ 0.00	(David to Supply)
6. Steel Rivets	\$ 20.00	
7. Two Piece Rivets (500)	\$ 35.00	
8. Strapping Leather	\$ 0.00	(Dan to source from Country Leather)
9. 20 Buckles (50c each)	\$ 10.00	
10. Foam for helmets etc.	\$ 15.00	
11. Assorted Tape	\$ 10.00	
Total	\$105.00	

It was thought that a variety of combatants could benefit from having:

1. A small to medium suit of Heavy Combatant Armour
2. A medium to large suit of Heavy Combatant Armour
3. And a suit of Combat Archers Armour.

With this in mind we would like to make the following in two stages.

#### Stage 1: Limbs

1. Two sets of shoulders
2. Two Sets of Bracers
3. Two C Belts for Leg Harness (These can be brought of the rack for \$60 a pair)
4. A set of small Knees
5. Two Shield Gloves
6. Two Shield Elbows

The following materials would be needed in addition to the above.

1. A hide of leather	\$150.00
2. Waxed Thread	\$ 20.00
3. C Belts	\$120.00
Total	\$290.00

**Action:** Daniel Russel and David Beresford to discuss a time frame for completing stage one and bring their findings back to the next meeting.

**Action:** David Beresford to ask the list whether there is any unwanted materials available that people may wish to donate.

## Stage 2: Body Armour

1. Two Aluminium Shields (These can be brought off the rack for \$100 each)
2. Coat of Plates
3. Lamellar
4. Sml Light Weight Gambeson (Can be brought off the rack for \$150)

NB: Betty North has recently upgraded one of the loaner gambesons and is in the process of making one or two others with tie on sleeves.

The following materials would be needed in addition to the above.

1. Lamellar Plates x 6sq	\$300.00
2. ABS Plastic Plates	\$200.00
3. Kevlar Cord 500m	\$ 70.00
4. Cotton Drill 20 metres	\$200.00
5. Leather for Rivets	\$ 20.00
6. Cotton Batting	\$ 40.00
7. Cotton Thread	\$ 20.00
8. Miscellaneous Materials	\$150.00
Total	\$1000.00

This is a large proposed amount to be spent on armour (\$1500) and possibly not viable for the group and as such would like the group to consider approval for a budget of \$500 for Stage 1

And then support in raising a further \$1000.00 via a raffle to achieve Stage 2

It was also thought that some of the materials for Stage 1 could be used at the upcoming GSG as part of an armouring workshop to be run by Lord Wulfgar Jarinsiða (Daniel Russel)?

Encourage any suggestions on how this could be made achievable.

David Beresford suggested buying a Long Bow, making a dozen blunts and offering several lessons as the major prize for a raffle to raise \$1000 for Stage 2 of the new Loaner Armour.

Once the prize is collected and the tickets made, David suggested to sell the tickets right up to the Royal Hobart Show through to Saturday the 22nd. Whereby he tickets can then be drawn by (Kim & Dave?)

David also hopes to gain some advertising for the group through the Hobart Show Magazine.

### **Subsidise Dance Practice?**

Dance Practice starts 21<sup>st</sup> June (Then every third Tuesday), Cost to be \$2 - \$4 If it was made \$2 and there was a short full due to a lack of attendance are we able to make up the shortfall?

**Raised:** David Beresford

**Seconded:** Daniel Russell

**Against:** None

### **November Crown XLVII** (Some words from our Excellency Baron Lucas)

As the deadline for bids for next year's November Crown approaches I am given to the thought that the last Crown event Ynys Fawr hosted was the very successful 12<sup>th</sup> Night that Baron Arnfinr ran three years ago.

I would strongly recommend to the Barony to consider bidding to host November Crown XLVII. It was a pleasure to marshal the Tournament of Prowess series, and from my excellent vantage point I could see up close the martial skill of all our combatants. The active stewarding teams have shown the way over the course of our reign on running excellent feasts and interesting activities. and I believe our artisans would benefit greatly from entering a Kingdom event A&S competition (not that entering requires a local event, it just helps somewhat).

What say you Ynys Fawr, are we up to the task of putting a bid together?

There is honour in service.

Lucas
