Words from Their Excellencies Lucas and Madeleine

Greetings unto the Populace of Ynys Fawr,

Though we are in the depths of Winter, the good news is that the shortest day is behind us.

Soon we will be able to enjoy more time in the Sun and by the time these words are published we will have joined with the College of St Gildas on the field of War and helped to defend their glorious name against the Invasion force from St Ursula.

June has been quite a challenging month in our position and one not made easier by hearing of issues from members of our populace second hand. We find it very disheartening to hear negative feedback "along the grapevine", especially that which pertains to our own conduct and efforts, and we feel we deserve better. We don't ask much, merely that if you have a specific issue with anything that personally involves us, that you come and speak with us about it, remembering that we are asking for no more respect than you would expect yourselves.

The Coronet is a position of service and a role that, although it takes up a great deal of our free time, we are happy and excited to perform. We are genuinely dedicated to the stability and growth of the group, and we promote the good works of the populace of Ynys Fawr as often as possible.

We request that you all do the same, most simply by being positive and ensuring that you are enjoying your membership in the SCA.

There is honour in service,

Lucas and Madeleine

Officer's Reports

A&S Officer: Stella de Ravenscar (Clare Gatenby)

Greetings!

Baroness Stella de Ravenscar became Baronial A&S officer at College War on 2 July 2011.

My thanks to my predecessor Lady Angharad.

Her Majesty Queen Constanzia has requested that the Kingdom's need for Mouse Guard Tokens and Lochac Order of Grace Pouches, as well as tassels and cord for pouches be filled by the many talented hands of the Populace. Kindly Her Majesty provided links to the instructions for these items:

Instructions on how to make these can be found at <http://www.sca.org.au/broiderers/projects.htm>

The Barony will be hosting the King and Queen of Lochac at Great Southern Gathering September 30th to October 3rd and if we could make a presentation of some of these items to Their Majesties the renown and prestige of Ynys Fawr would be further polished.

You could work on a pouch for Their Majesties at the upcoming A&S workshops at the Glenorchy Girl Guide Hall from 10am until 4pm on Saturday 30 July (a fortnight's time) and Saturday 10 September (second Saturday in September). Bring along your unfinished A&S projects and make a day of A&S activities in company to share ideas and the hall space. Tea and coffee will be available. Lunch will be according with your own arrangements. Cost is \$6 for each workshop for hall hire. Bookings to Stella are appreciated but not required

A&S inspiration was aplenty at College War this month. The Collegians cunningly dressed dolls with fabric garb, made siege provisions, and generally had fun galore. The winter garb competition to full collegian size was won by Paddy with his beautiful polish ensemble. Huge Huzzahs also to Her Excellency Baroness Madeleine de Chalons for her ginger bread castle of awe and deliciousness.

Have a great month of A&S fun

Stella

Chatelaine: Wulfgar Jarnsiða (Daniel Russel)

Jackie and I are currently putting together a Vista print order for business cards and promotional material. One order had gone which was for approximately \$14.

When I received the Chatelaines box the phone was not working. In follow up we have found that the SCA no longer owns the number. Please see new business.

The other thing that I would be interested to find out is how much contact we are getting from our yellow pages listings as these cost us around \$500 per year (from memory) Please see new business.

Action: David Beresford to organise a \$78.33 cheque #692308 for Jackie Leitch to pay Vista Print Order.

If you are interested in this position could you please contact the Seneschal.

In the meantime Eric, Dan and David will be working together towards putting together a suitable platform for our new website. This will be built, then tested prior to going live.

David asks that those people who have written documents for the existing site please review them and send them through to him in word format so that they may be included on the new site. David would also like to get hold of as much artwork for the new site as possible as he is having some difficulty in using anything off the old site.

The website must be made a priority, David would like the new site to be up and running before GSG.

Daniel Russel suggested a tracker or counter for the Website.

Proposed Events

Timeline Festival at the Berwick Cheese Factory

We have been asked if we would like to attend the Timeline Festival at the Berwick Cheese Factory, Homestead Road, Berwick, Victoria on November 5th & 6th.

The timeline festival is being run for the second time this year and we are hoping that all Victorian re-enactment groups and those from farther afield will support us in making this a regular Melbourne event. It was thought that the group could not support this proposed event at that time of year.

George Town Demo

Saturday the 19th November

Are there any combatants out there that may be interested in participating in a demo at George Town? Jon has mentioned he is interested in running a Rapier Tournament on the day. Daniel Russell said that this demo is still to be confirmed as he is waiting for the event organisers to get back to him.

Rose Tournament

February 2012 (Either Saturday 11th or 18th)

This event will be jointly run by Lord Wulfgar Jarinsiða and Lord David de Derlington and promises to be a day full of pageantry and skill at arms in honour of the ladies of Ynys Fawr. To be finalised soon.

November Crown XLVII (Some words from our Excellency Baron Lucas) Closes end of August!

As the deadline for bids for next year's November Crown approaches I am given to the thought that the last Crown event Ynys Fawr hosted was the very successful 12th Night that Baron Arnfinr ran three years ago. I would strongly recommend to the Barony to consider bidding to host November Crown XLVII. It was a pleasure to marshal the Tournament of Prowess series, and from my excellent vantage point I could see up close the martial skill of all our combatants. The active stewarding teams have shown the way over the course of our reign on running excellent feasts and interesting activities. and I believe our artisans would benefit greatly from entering a Kingdom event A&S competition (not that entering requires a local event, it just helps somewhat). What say you Ynys Fawr, are we up to the task of putting a bid together? There is honour in service. Lucas

Business Carried Forward

Marquee for sale

I recommend we should investigate other options. It was decided that this was not a viable option. David Beresford & Daniel Russel investigated alternative options, but it was decided to revisit this later.

Long Bow Raffle

David Beresford has suggested a raffle to raise funds for our Loaner Armour.

The major prize to be a Long Bow, a Re-stringer, 12 Target Blunts (Arrows), a Leather Bracer and 2 lessons. Valued at \$300 we could sell \$1800 worth of tickets @ \$1 each or 3 for \$2

If we work on selling 1800 tickets @ 3 for \$2 we should raise around \$1200!

As you know from last meeting I made some enquiries into the legalities of holding a raffle. As long as it is for a non profit organisation, the prize is under \$5000 and ticket sales do not exceed more than 5 times the value of the prize then a licence is not required.

Raffle Tickets may only be sold to adults (18 years and over)

Propose that \$250 be made available to purchase a Longbow and assorted materials.

Raised: David Beresford

Seconded: Matt Browne

Against: None

Action: David Beresford to arrange a cheque for \$120 to pay Daniel Russel for a 30lb Long Bow and re-stringer. And organise raffle tickets.

Baronial Repair Kit

It has been noted that a Baronial Repair Kit could be useful in maintaining our Loaner Armour and also to be made available at events for combatants to make small armour repairs. (At the cost of a small fee in order to keep the kit maintained.) The following kit has been put together and will be maintained by the Knight Marshall - Iron Key.

A Baronial Repair Kit: (To be)

1. Small Tool Box	\$ 0.00	(Peter to donated)
2. Leather Punch Kit	\$ 0.00	(Dan & Betty donated assorted punches)
3. 8oz Ballpein Hammer	\$ 0.00	(Supplied)
4. Pliers	\$ 0.00	(Supplied)
5. Wooden Block	\$ 0.00	(David supplied)
6. Anvil (Railway Track)	\$ 0.00	(David supplied)
7. Steel Rivets	\$ 0.00	(Matt to Supply)
8. Two Piece Rivets	\$ 0.00	(Betty donated an assortment rivets)
9. Strapping Leather	\$ 0.00	(Dan to source from Country Leather)
10. 20 Buckles (50c each)	\$ 0.00	(Matt to Supply)
11. Foam for helmets etc.	\$ 0.00	(Supplied by Betty)
12. Assorted Tape	\$ 0.00	(David to Supply)
Total	\$ 0.00	

Because of the fantastic effort by all those who helped put together the Baronial Repair Kit there was no need to source additional funds from the Baronial Coffers to see this project completed! Well Done!

Stage 1: Loaner Armour - Limbs

It was thought that a variety of combatants could benefit from having:

1. A small to medium suit of Heavy Combatant Armour
2. A medium to large suit of Heavy Combatant Armour
3. And a suit of Combat Archers Armour.

With this in mind we would like to make the following Armour.

1. Two sets of shoulders
2. Two Sets of Bracers
3. A set of small Knees
4. Two Shield Gloves
5. Two Shield Elbows

The following materials would be needed in addition to the above.

1. A hide of leather	\$150.00
2. Waxed Thread	\$ 20.00
3. Two Piece Rivets (500)	\$ 35.00
4. Second Hand Shoulders & Knees (AA?)	\$ 95.00
Total	\$300.00

After a brief discussion it was decided that at list one set of each of the above would be completed for presentation to the Barony during court at GSG and the remainder to be completed by December. Propose that \$300 be made available to begin Stage 1 Limbs for the Loaner Armour.

Raised: David Beresford

Seconded: Alice Finlayson

Against: None

Stage 2: Loaner Armour - Body Armour

1. Two Aluminium Shields (These can be brought off the rack for \$100 each)
2. Coat of Plates
3. Two C Belts for Leg Harness (These can be brought off the rack for \$60 a pair)
4. Lamellar
5. Sml Light Weight Gambeson (Can be brought off the rack for \$150)

The following materials would be needed in addition to the above.

1. C Belts(\$60 each)	\$120.00
2. Lamellar Plates x 6sq	\$300.00
3. ABS Plastic Plates	\$200.00
4. Kevlar Cord 500m	\$ 70.00
5. Cotton Drill 20 metres	\$200.00
6. Cotton Batting	\$ 40.00
7. Cotton Thread	\$ 20.00
8. Miscellaneous Materials	\$150.00
Total	\$1110.00

As mentioned at the previous meeting this a large amount to be spent on armour and therefore propose that on completion of the Long Bow Raffle in October that the funds raised be put forward to Stage 2 of the Loaner Armour – Body Armour.

Raised: David Beresford

Seconded: Matt Browne

Against: None

Woolworth's Debit Card

David Beresford investigated the possibility of a \$100 debit card so that all purchases can be easily tracked for the Chatelaine. Purchase of the Card costs is a once of cost of \$1 every time the card is loaded. David Beresford suggested that these debit cards could also be used for events.

Action: David Beresford to arrange a \$100 debit card for the Chatelaine.

New Business

The purchase of new phone for Chatelaine

To determine if it is worthwhile getting a new mobile number we need to determine following:

1. How many people made contact through the mobile?
2. How long the mobile was operational for?
3. Was the mobile operational after a large promotional opportunity?
4. Does the SCA think that given we have failed to maintain the phone once that we should get another number?

In the meantime if any advertising material remaining within the Barony could please be returned to the Chatelaine it would be much appreciated.

It has been decided between the Chatelaine and Seneschal that due to the relatively low outlay for a new sim card and twelve month phone charge that we will go ahead with getting a new mobile number.

Action: Daniel Russell to purchase a new sim, a twelve month phone charge and choose a new number.

Yellow Pages Listing

Dan asked the question. Are getting value out of our yellow pages listings when these are costing us around \$500 per year? Can we get better coverage through facebook, our new website and by getting out there and doing demos?

Action: David Beresford to investigate.
