**A&S Officer: Stella de Ravenscar** (Clare Gatenby)

Greetings to the Seneschal and Barony of Beloved Ynys Fawr,

This past month we held an UnFinished Objects workshop ("UFO Day") at the Glenorchy Guide Hall on July 30 which was successful in its aim to give gentles an opportunity to make progress on projects simply because they had a time and place set aside to do so. A&S pursuits at the workshop included garb stitching, embroidery, garb patterning, and some much needed consultation on what to do to finish a piece of garb which I had recently been gifted. All present agreed it was a worthwhile exercise to hold the workshops and the next one will occur on September 10th at the same venue. I encourage all to attend and let me know if you have any particular topics you might like to teach and/or explore for more focussed sessions in future.

Apart from this workshop we hold montly dance practice in Hobart and there is an A&S session the first Sunday of each month in the north. Also there is space at each Sunday's fighter training at the Cambridge Hall for A&S. We are currently exploring ways to use this space more formally on a regular basis, especially for baronial projects which seem to be a popular idea from my casual canvassing since taking office. We are looking forward to the Great Southern Gathering (GSG) to be held in Ynys Fawr on September 30 to October 3. GSG has a large focus on teaching a broad range of A&S topics. The steward, Mistress Madelaine de Bourgogne, tells me that the teaching schedule is coming along well with many hands volunteering their expertise. Book now, book early, book often etc. It's going to be amazing.

In short, A&S is in good health in the faire Barony of Ynys Fawr.

Yours in Service,

Baroness Stella de Ravenscar

Ynys Fawr A&S Officer

**Chatelaine: Wulfgar Jarnsiða** (Daniel Russel)

During the past month the group has not been contacted by any perspective new members.

We have recently purchased approximately \$80 of promotional material (business cards, flyers etc.) for use at upcoming demos and the Royal Hobart Show (October).

We are currently in the process of purchasing a mobile phone sim card so that we can have a general point of contact that can be listed on promotional material etc. and can be passed on with the office of chatelaine.

**Chirurgion: Madeleine de Châlons** (Sarah Brown)

Nothing to report.

**Chronicler: Wenefrith de Calabria** (Wendy Cockshaw)

Due to the inability to even attempt Islander for July/August due to technical problems, David kindly assisted and did a wonderful job. This has now been sent out as August Islander. I hope to be able to prepare September Islander without the need to draw on Our Seneschal's time, but he may still be needed as the technical problems have not been fully sorted!

Thanks everyone

**Constable: Lothar von Dargun** (Chris Belbin)

To be tabled at the meeting

**Gold Key (South): Beatrix Aetholsdottir of Jelling** (Betty North)

Tarremah cheque for \$360 banked. This was \$50 for the demo [done entirely by Lord Frodi this year], \$50 for class & staff garb for the Banquet and the other \$260 for garb for parents.

This was only the second time that the class size has been this big at 22. No other obvious hire sources but a couple of parents wore their own stuff. Several of the parents were also staff or Harlequin members who have their own stuff as well. Lots of parents expressed their gratitude and appreciation of the range from which they could choose on the night.

Took most of our stock [other than cloaks] and used about 50-65% at an estimate from what went straight back to the racks.

I would like to express my gratitude to my Lord Marcus and Lord Odo for unloading all the washing the next morning, and all the unused items the next Monday.

Grade 8 will be presenting 12<sup>th</sup> night later in the year, if anyone has a copy I could borrow. This will be another \$50.

A new hat has been made, out of some of the leftover material, to complete the latest male outfit.

Cane: no sales, only a few short sticks left.

Known World Handbook: no sales, still a few on hand

**Herald: Hrölf Herjölfssen** (Cary Lenehan)

### **November Crown XLVII (Some words from our Excellency Baron Lucas) Closes end of August!**

As the deadline for bids for next year's November Crown approaches I am given to the thought that the last Crown event Ynys Fawr hosted was the very successful 12<sup>th</sup> Night that Baron Arnfinr ran three years ago. I would strongly recommend to the Barony to consider bidding to host November Crown XLVII. It was a pleasure to marshal the Tournament of Prowess series, and from my excellent vantage point I could see up close the martial skill of all our combatants. The active stewarding teams have shown the way over the course of our reign on running excellent feasts and interesting activities. and I believe our artisans would benefit greatly from entering a Kingdom event A&S competition (not that entering requires a local event, it just helps somewhat). What say you Ynys Fawr, are we up to the task of putting a bid together? There is honour in service. Lucas
